AEROSOL SOLUTIONS

TECHNICAL DATA SHEET

Kwik Tak

Product Description

Kwik Tak is an aerosol adhesive developed for a variety of uses including fixing foam backed carpets, bonding flexible foams, fixing polythene building sheets and as a stationary and card bonding adhesive. It is NOT suitable however for use plasticised PVC or expanded polystyrene foam.

Kwik Tak is a synthetic polymer solution blended with a suitable LPG propellant to give and easy spray aerosol with a very low tendency to penetrate normal surfaces. Its foaming formula allows it to sit up on the surface after application.

Application

1. Surfaces should be clean, dry and free from grease and dust.
2. Shake well before use.
3. Spray adhesive at a distance of 6 to 8 inches away onto both surfaces.
4. Allow to dry for 2 to 5 minutes before bonding.

Technical Data

Base:	Synthetic rubber/resin
Specific gravity:	1.18
Viscosity:	Sprayable
Total solids content:	27.5%
Packaging:	500ml cans

Cleaning

Kwik Tak can be removed with Censolve Solvent Cleaner. To prevent spray nozzle from blocking, at the end of each period of use, turn the can upside down and press the nozzle until spray is clear of adhesive.

Storage and Shelf Life

Store at temperatures between 5°C and 25°C in a clean, dry and shaded area. Under these conditions, in original, unopened containers, the product will have a shelf life of 12 months.

IMPORTANT NOTE:
All the information in the Data Sheet is based on practical experience and is published in good faith. However, because we have no control over the manner or conditions in which our products are used, or over work undertaken or end product manufactured by the purchaser, we cannot accept liability for results. Responsibility for ascertaining the suitability of products for their purposes rests with the purchaser. All conditions, representations, statements, warranties or guarantees whatsoever, whether expressed, implied or statutory, in respect of any good manufactured, sold or supplied by us are hereby expressly excluded and we accept no liability in respect of any claim for damage or consequential loss caused to any property arising directly or indirectly out of the use of our products or goods.
